## **Welcome to Grindleford Carnival 2016**

This year has been a very exciting one for us all as it marks our first year as a newly formed committee. We have tried very hard to make this year's event something for all ages to enjoy, combining old traditions with new ideas.

The basis of our thinking has been 'open access, local flavour' which we hope will be shown in the involvement of many of the village groups taking active roles during Carnival Week.

We hope that you enjoy our village's 80<sup>th</sup> carnival celebrations as much as we have enjoyed planning it!

### **Ambassadors of Grindleford**

One of the main differences in this year's line-up is the lack of princesses but we hope you will be able show your support for this year's Carnival Ambassadors.

Our ambassadors are all Y6 children from the village school and were all really keen to keep the tradition going but with their own twist. Each one of them has helped to design and create their float and will be present at key village events throughout the year as representatives for the carnival. The committee would like to thank you very much for your help and hope you enjoy your time as ambassadors!

We would also like to say a huge thank you to The Maynard who has sponsored the ambassadors' outfits.
